Refrigeration Systems

Vitocell 300-W, EVIA
New smaller size and color to match wall-mounted boilers

Vitocell-V 300
Convenient, durable, hygienic

Vitocell-H 300
Compact and "stackable"

VITOCCELL 300

Experience Viessmann hot water technology. Comfort, convenience and reliability in one package. Available in vertical and horizontal designs, from 42 to 119 USG. See how you can improve your domestic hot water comfort today.

The benefits at a glance:

- No worries – Lifetime warranty for all Vitocell 300 DHW tanks.
- Convenience – Fast recovery rates ensure abundant supply of domestic hot water all day long.
- Comfort – Tank coil extends to tank bottom guaranteeing even water temperatures at all times.
- High level of operational reliability and a long service life due to high alloy stainless steel construction.
- Extremely efficient indirect hot water production by boiler. Save up to 50% of your operating cost compared to conventional direct-fired hot water production.
- High-performance insulation keeps standby losses and operating cost at a minimum.
- Space-saving options: Vitocell 300-H tanks can be stacked on top of each other (350 and 450 ltr sizes). Zero clearance to combustibles for all Vitocell 300 tanks.
- Scale- and corrosion-resistant, ideal for areas with poor water quality. Completely hygienic.
- High-volume hot water – Several Vitocell 300 tanks can be combined into tank batteries.
- All sizes now with NPT connections
